7108 Black Rock Bend, Round Rock, TX 78681
Who: 4th-8th grade girls (and maybe some 9th graders who want to continue with us)
When: Sundays, 6-7:30 p.m.
Begins: September 13th
Leaders: Evelyn Waiwaiole and her four daughters Caroline, Edie, Mary Elizabeth, and Ruth
Contact: evelyn@austin.utexas.edu; 512-762-6398

Evelyn is excited about the opportunity to host a group mixed with both elementary and middle school students. This allows her to accommodate all of her own kids, and it will be a great experience for other girls who choose to attend. Middle-schoolers who are interested in taking more leadership in Tween Time and mentoring younger girls should consider this group! 9th graders who wish to continue participating may also benefit from joining this group since it is the only one that doesn't conflict with school. Just talk to Ms. Evelyn about being a student leader.

After the first week, this group will select a book to study. Snacks, games, and smiles will all continue as you grow closer to God TOGETHER.

Evelyn would prefer not to "cap" her group number, but at this time, she does not have any other adult helpers. SO, she will take 20 girls first-come, first-served...and would gladly add more girls if she had some assistance. Moms (grandmas, aunts, older sisters) who would like to investigate the idea of volunteering, please contact Evelyn.

Where: The McGahan Home
3951 Brushy Creek Road, Cedar Park, TX 78613

Begins: September 22nd (through Dec. 1st)
Leaders: Marilyn McGahan and her daughter Emily; Laura Schiesz and her daughter Molly
Contact: mmcgahan@austin.rr.com; 512-797-6942

Marilyn is joining us for a fifth year as a Tween Time hostess and leader. Marilyn's heart is invested in the girls who have been coming to her group. She and Laura make a great team. With that said, it is going to be a busy year at the McGahan household—they have a high school senior, Caroline! So, if you are a parent who thinks you could volunteer during Tween Time, they would love to hear from you!

The spring semester will run January 12th -April 26th so the McGahans can devote May to senior activities and graduation. Bible study curriculum TBA.

This crew is pumped to get started on a new year at "Tween" (ahem, some teens!) Time! This fall we will do an 8-week study called "Beautiful Encounters" that focuses on Jesus' experiences with women in the Bible. It will teach us more about Jesus' character and about ourselves. In addition, we will have guest speakers, student-led share time, and MORE small group time. Bring your ideas. This is YOUR group. If you have never attended here before, feel free to try us out!

**Cathy Shaw and her daughter Leelee will not be hosting a group this fall due to their family's schedule. Leelee will be a student leader and mentor at Evelyn's house on Sundays and Cathy would like to continue serving and helping out as needed at various Tween Time events.

**Cathy McLeod has gone back to work full-time, and her husband has just launched a new business. She has decided that she will be unable to host a group this year. We will miss her, but she will stay in the loop and may show up here and there as a sub or guest teacher. Please be in prayer for her during this busy season and time of change.
